

CAROLINA VOLLEYBALL CAMPS

Frequently Asked Questions

We have listed below the important information frequently requested from campers and parents:

1. *Where will the campers be staying during camp?* All campers will reside at Granville Towers for the duration of camp. **(919) 370-4500 Emergency ONLY!** Campers MUST provide their own: PILLOW, BLANKET, BED LINEN, and TOWELS. The dormitory (Granville) is air-conditioned so you will not need to bring a fan. All campers are required to pay a \$40 KEY DEPOSIT in cash which the camper will receive at Check-Out when they return their key. You will be assigned a roommate at registration if you have not already requested one. There are 2 people to a room, and 4 share the suite. In some instances there will be 3 campers to a room if the room is larger, every camper will always have their own bed.
2. *Where do the campers eat?* ALL MEALS will be provided in the Granville dining facilities.
Can a friend or family member in town pick up my daughter during camp to go out to eat or visit? Yes, but they must bring the signed Off Campus Permission Form to registration.
Are the meals varied enough to accommodate vegetarians? Yes they are. The dining facility at Granville serves sandwiches, pastas, vegetables, fruits, cereals, eggs, etc. and an extensive salad bar at every lunch and dinner.
3. *What should I pack?* Comfortable workout clothes, plenty of T-shirts (at least 3 per day), shorts, socks. It will be warm in the gyms in July, and you will be working hard. Volleyball shoes or sneakers/running shoes/tennis shoes; kneepads; underclothing, sleepwear, towels, casual clothing and comfortable walking shoes or sandals. **Bring your swimsuit and a rain jacket.**
4. *Additional items to bring:* Alarm clock, toilet/personal items, a small radio is OK (no large stereo units), pen, and stationary. We do not recommend you bring expensive valuables during your short visit such as watches or jewelry, as it could get lost.
Don't forget your Doctor's Permission/Physical and the enclosed Preparticipation Physical Evaluation Form (PPEF). Campers will not be admitted without the PPEF completed.

6. *How are the campers supervised?* Staff members reside in the dorms with the campers, usually 4-6 staff counselors are responsible per floor. Each counselor's room is easily identified. Trainers and Camp administrators also reside in the dorm should a camper need emergency access to medical assistance, phone, etc. Discipline problems (curfews, rules & regulations) are handled by calling the parent immediately, no matter the hour!
7. *Will my daughter have a chance to go into town to shop?* Campers are allowed to go to Franklin Street with other campers as long as they have a signed "Off Campus Permission Form" at the lunch and the dinner break (only when it is light out).
